

A Visitors Guide to **ACCESSIBLE** **BATHURST**

Welcome to the Bathurst Region's Equal Access Guide. This booklet includes information on some of the many interesting things to see and do in Bathurst that can be fully or partially accessed (refer to indicator description on page two).

As Australia's oldest inland European settlement, Bathurst is home to many fine historical buildings with a rich history ranging from gold discovery to motorsport. The city boasts the honour of once being the national headquarters of the Cobb & Co Coach company and home to former Prime Minister Ben Chifley.

We trust that you will enjoy your time in the Bathurst Region and hope you are able to fully explore the many attractions and sites the region has to offer.
